

PANORAMA™ DEMI 6cm

Product Number #367

- Riven stone surfaces and softened edges create the natural look of weathered flagstone
- Designed to be installed in an efficient repeating runner or ashlar pattern, with equal numbers of 1/2, square, and 3/2 stones
- Suitable for light vehicular applications, such as residential driveways and parking stalls, with proper pavement design and installation
- Demi and Supra can be combined to create a six-piece system with expansive, industry-leading scale
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure. Meets or exceeds applicable requirements of ASTM C936 and C1782

The Panorama™ series features rectilinear shapes, riven surfaces, and rounded edges which recall the timeless appeal of weathered cut flagstone. Designed for repeating random runner and ashlar patterns, Panorama™ Demi and Supra combos install quickly - they can even be combined to make a 6-piece pavement - and creates the aesthetic of historical Old World pavements. Panorama™ is available in a range of sizes and heights to suit overlay, vehicular, and large-format applications.
