

# Landings<sup>™</sup>

## Step Unit

The Landings<sup>™</sup> step unit adds grand style to entrances and walkways with its quarried limestone look. Integrate into landscape projects or use as a standalone feature.

## Benefits of Landings™:

- Double-sided texture and two unique faces on the rise allow steps to be rotated for optimal aesthetics
- Smooth sides allow steps to be placed side by side for longer treads
- Granite-like texture on tread surface
- Even bottom and consistent size offer installation ease
- Palletized for easy removal by skid-steer loader
- Dry-cast production provides consistent color throughout unit
- Riser faces are uniquely designed to nest together, creating an optional landing with a narrow joint

### Approximate Dimensions (HxLxD)\*

**Step Unit**  
6" x 48" x 18"

*\*Product dimensions are height by face length by depth. Actual dimensions may vary from these approximate values due to variations in manufacturing processes. Contact your Belgard representative for details.*
